How it works

How your funds are held

Bondsmith is the trustee and all money held in your GB Base Rate Tracker are held on trust for you, subject to the Quilter Invest Terms & Conditions and Bondsmith Terms.

Any money you put in a Quilter Invest account is deposited with GB Bank by Bondsmith on your behalf. While there, it will always be held in a segregated trust account.

How your funds are protected

When your funds are held on deposit by GB Bank your eligible deposits are protected up to £85,000 by the FSCS per banking license. Any deposits over £85,000 with the same provider are not likely to be covered.

When you transfer Bondsmith your money it is temporarily held in our Transit Account prior to sending it on to GB Bank. While in the Transit Account your money is protected by the FCA's safeguarding rules if Bondsmith Savings Ltd were to fail, or the FSCS, if the Transit Account Provider were to fail.
